Welcome Message

Dear Colleagues

It is my great pleasure to invite you to attend the Educational Course of the International Continence Society (ICS) which will be held in conjunction with the 21st Thai Urological Association (TUA) Congress on April 3-5, 2009 at The Zign Hotel, Pattaya, Thailand. The first one and a half day educational course will be organized by the ICS which will provide many outstanding experts to run this program. Though the same ICS educational courses have been arranged many times in various countries, but this will be the first time in Asia. So the urologist, gynecologic, physicians and nurses who are interested in the field of Gynecologic Urology and Neurourology should not miss this event.

After the education course, the participant can also attend another complimentary one and a half day TUA congress which will also be presented in English. All the participants are also welcomed to join the social event flourished with Thai hospitality on the last evening.

Summertime in Pattaya is wonderful. Come and join us!

With best regards,

Professor Krisada Ratana-olarn
President, Thai Urological Association
Under the Royal Patronage

Welcome Message

Dear Colleagues,

On behalf of the scientific committees, I take great pleasure in welcoming you to the International Continence Society Educational Course conjunction with Annual Thai Urologic Association Meeting at Pattaya, Thailand on 3-5 April, 2009. This meeting is organized by the Thai Urologic Association (TUA) and International Continence Society.

The scientific program was designed to meet the experts from International Continence Society and expert in Uro-oncology. I firmly believe that the meeting will be an excellent opportunity for highest standard scientific and warm cultural exchange.

Thailand is named "a land of smile" with combination of unique nature and culture. All of you will enjoy your stay in Thailand with "Thai Food"

We look forward to see all of you here with memorable experiences in Pattaya, Thailand.
