

Schedule at a Glance

Tuesday, 6th October 2015														
Start	End	516AB	513EF	516DE	514AB	513CD	515ABC	513AB	516C	512D	512H	512C		
07:00	07:30	NUU Editorial Board Meeting												
07:30	08:00													
08:00	08:30													
08:30	09:00													
09:00	09:30	W1 Management of Bowel Dysfunction Following Obstetric Anal Sphincter Injury (OASIS)	W2 Multidisciplinary Approach to Female Sexuality Based on Practical Concepts	W3 Conceptualising Causes, Diagnosis and Therapy of Nocturnal LUTS	W4 Current Treatment of Post-Prostatectomy Incontinence			W6 Ultrasound in the Investigation of Female Pelvic Organ Prolapse	ICS-IUGA - Female POP Peer Review	W5 (Committee Activity) Optimising First Line Therapy for Overactive Bladder (Open Session)	Nurses Committee Meeting	Physiotherapy Committee Meeting	Continence Promotion Committee Meeting	
09:30	10:00													
10:00	10:30													
10:30	11:00	Coffee Break, Visit Exhibition & E-Poster Viewing												
11:00	11:30	W7 Tissue Engineering Therapy of the Lower Urinary Tract — The Potential and Hurdles	W8 Detrusor Underactivity: Detection and Diagnosis			W6 Ultrasound in the Investigation of Female Pelvic Organ Prolapse			W5 (Committee Activity) Optimising First Line Therapy for Overactive Bladder (Open Session)	Neuro-urology Promotion Committee Meeting	Scientific Committee Meeting	Standardisation Steering Committee Meeting		
11:30	12:00													
12:00	12:30													
12:30	13:00	Lunch Break, Visit Exhibition & E-Poster Viewing												
13:00	13:30													
13:30	14:00													
14:00	14:30	W9 Evidence and Case-Based Update on the Medical/Behavioural and Surgical Management of Faecal Incontinence	W10 Promoting an Evidence-Based Approach to Quality Continence Care for Frail Older Adults	W11 Basic Urodynamics - An Interactive Workshop	W12 Approaches to Pelvic Organ Prolapse Surgery	W13 Neuro-Urology	W14 Utilization of Endovaginal and Endoanal Ultrasonography for Visualisation of Tapes, Mesh, Levator Damage and Anorectal Disorders			14th Physiotherapy Roundtable	Education Committee Meeting	Urodynamics Committee Meeting	Publications & Communications Committee Meeting	
14:30	15:00													
15:00	15:30													
15:30	16:00	Coffee Break, Visit Exhibition & E-Poster Viewing												
16:00	16:30			W11 Basic Urodynamics - An Interactive Workshop	W12 Approaches to Pelvic Organ Prolapse Surgery	W13 Neurourology	W14 Utilization of Endovaginal and Endoanal Ultrasonography for Visualisation of Tapes, Mesh, Levator Damage and Anorectal Disorders	Early Career Professional Session (Open Session)				ICS Meetings Committee		
16:30	17:00													
17:00	17:30	Good Urodynamics Practice Terminology Working Group Consultation												
17:30	18:00													
18:00	20:00	Welcome Reception & Opening Ceremony (in Exhibition Area)												
20:00	23:00	Early Career Professional Night Out & Physios Night out!!												

Schedule at a Glance

Wednesday, 7th October 2015														
Start	End	210AE	210BC	510ABCD	516AB	513CD	513EF	514AB	516CDE	513AB	E-Poster Area (220A)	512D	512C	512H
07:00	08:00				SAT1 Satellite Symposium			SAT2 Satellite Symposium				Childrens and Young Adults Committee Meeting	Fistula Committee Meeting	Ethics Committee Meeting
08:00	08:30	SOA1 Recurrent urinary tract infections: immunity, biofilms and clinical prevention. Scott Hultgren												
08:30	10:00	S1 The Microbiome and Urinary Tract Infections (Podium)	S2 Nocturia (Podium)	S3 Innovations in Pelvic Floor Muscle Therapy (Podium)	W15 (Committee activity) Managing Complex Obstetric (Open Session)		W21 Part A (Committee Activity) Neuromodulation and Neurostimulation in Children and Adolescents with Neurogenic and Pelvic Floor Dysfunctions (Open Session)	W16 Urinary Retention in Women						
10:00	10:30	ICS 2016 Promotion, Coffee Break, Visit Exhibition & E-Poster Viewing												
10:30	11:30	S4 Pelvic Pain Syndromes (Podium Short Oral)	S5 Nocturia/Male LUTS (Podium Short Oral)	S6 Insights into Treating Older Adults (Podium)	W17 (Committee Activity) The Basis of Modern Health Care Ethics (Open Session)	W18 Improving Continence Before and After Radical Prostatectomy	W21 Part A cont.	W16 Urinary Retention in Women				S7 Experimental Models and Pharmacology (ePoster)		
11:30	12:00													
12:00	13:00	Lunch Break, Visit Exhibition, E-Posters (S8), Open Discussion Posters (S9)								Pelvic Floor Exercise classes for the treatment of urinary incontinence in aging women			ICS Board of Trustees & Committee Chairs	
13:00	14:00	RT1 New Therapeutic Options for Neurogenic Bladder Dysfunction. Sohler Elineil, Michele Spinelli & Nucelio Lemos	RT3 Personalised Medicine and Pharmacogenetics. Simon de Denus, Sander Herschorn & Jens Peter Norgaard	RT2 Evidence-based conservative management of pelvic organ prolapse. Jenny Kruger, Kari Bo & Barbara Reichetzer			W21 Part B (Committee Activity) Neuromodulation and Neurostimulation in Children and Adolescents with Neurogenic and Pelvic Floor Dysfunctions (Open Session)							
14:00	15:30	S10 Updates on the Use of Botulinum Toxin (Podium Short Oral)	S12 Physiology and Pharmacology (Podium)	S11 Anorectal Dysfunction (Podium Short Oral)	W19 A Multi-Disciplinary Approach to the Treatment of Provoked Vestibulodynia			W20 Intrinsic Sphincteric Deficiency, Diagnosis and Management			Nurses forum (Open Session)			
15:30	16:00	Coffee Break, Visit Exhibition & E-Poster Viewing												
16:00	16:30	S14 Male Lower Urinary Tract Dysfunction (Podium Short Oral)		S15 Obstretical Pelvic Floor Injury (Podium Short Oral)	W22 Pudendal Neuralgia and Other Intrapelvic Peripheral Nerve Entrapment - A Neglected Cause of Pain and Pelvic Floor Dysfunction		S13 Paediatric Enuresis and Bowel Dysfunction (Podium Short Oral)	W20 Intrinsic Sphincteric Deficiency, Diagnosis and Management	W23 How to Build an Evidence-Based Guideline – Important Epidemiological Principles				S16 Molecular Mechanisms of Sensation (ePoster)	
16:30	17:00													
17:00	17:30													
17:30	18:30		SAT3 Satellite Symposium								ICS Town Hall Meeting			
18:30	20:00	Chairmans Reception (by invitation only)												

Schedule at a Glance

Thursday, 8th October 2015												
Start	End	210AE	210BC	510C	510A	513EF	513CD	513AB	514AB	510BD	E-Poster Area (220A)	
06:30	08:00									SAT4 Satellite Symposium		
08:00	08:30	SOA2 Top 5 Papers of 2015 that will change incontinence research and practice. Chris Chapple										
08:30	09:00	RT4 Pelvic floor dysfunction in cancer survivors after radical pelvic surgery and radiation. Gunhilde Buchsbaum, Shauna Correia & Karl Kreder	RT5 What is Urinary Urgency and How Should It Be Measured? Stefan de Wachter, Alan Wein & Jalesh Panicker	W24 Evidence-base and Clinical Application of Urologic Catheters Workshop			W25 (Committee Activity) Educating our Generalist Colleagues: A Committee Collaboration Lead by the Continence Promotion Committee (Open Session)	Society Session: Pan Arab Continence Society (Open Session)				
09:00	09:30											
09:30	10:00	S17 Treating the Frail Older Adult (Podium Short Oral)	S18 Detrusor Physiology (Podium)				S19 What's New in Bladder Outlet Obstruction (Podium)					
10:00	10:30											
10:30	11:00	Coffee Break, Visit Exhibition & E-Poster Viewing										
11:00	11:30	S20 New Research in Neuromodulation (Podium Short Oral)	S21 Assessment, Measurement and Imaging (Podium Short Oral)	W24 Evidence-base and Clinical Application of Urologic Catheters Workshop		W25 (Committee Activity) Educating our Generalist Colleagues: A Committee Collaboration Lead by the Continence Promotion Committee (Open Session)	S22 Videos (Podium Video)	S23 Female Lower Urinary Tract Symptoms (Podium Short Oral)	Society Session: Pan Arab Continence Society (Open Session)	W26 The Overactive Pelvic Floor	S24 Biomechanics and Experimental Models (ePoster)	
11:30	12:00											
12:00	12:30											
12:30	13:00	Lunch Break, Visit Exhibition, E-Posters (S25), Open Discussion Posters (S26)										
13:00	13:30											
13:30	14:00	RT6 Strategies to Increase Adherence. Sara Dean, Chantale Dumoulin & Roger Dmochowski	PCP1 Ethics Debate - Is it still ethical to perform urodynamic investigations prior to surgery for female stress incontinence? The relationship between ethics and evidence. Peter Rosier, Xavier Fritel & Victor Nitti	RT7 The molecular mechanisms underpinning bladder sensation. Lori Birder, James Gillespie & Anna Malykhina								
14:00	14:30											
14:30	15:00	S27 Conservative Management (Podium Short Oral)	S28 Neurourology (Podium Short Oral)	S29 Nerves and Bladder Sensations (Podium)	S30 Pelvic Organ Prolapse (Podium Short Oral)	W27 How Do I Manage LUTS in Patients with Cerebral Disorders?		Joint Society Meeting of SINUG, CAU and ALAP: How do Iberoamerican societies deal with Functional and Pelvic Floor Challenges? (Open Session)	W28 Surgery of Neurogenic Bladder: What's In and What's Out			
15:00	15:30											
15:30	16:00											
16:00	16:30	Coffee Break, Visit Exhibition & E-Poster Viewing										
16:30	17:00	SOA3 ICS and IUGA: Highlights and Perspectives. Dudley Robinson, Emmanuel Chartier-Kastler, Marcus Drake & Ted Arnold	RT8 Faecal incontinence: from bench to bedside. Massarat Zutshi, Julia Herbert & Holly Richter									S31 Biomarkers and Molecular Mechanisms (ePoster)
17:00	17:30											
17:30	17:45											
17:45	18:00	ICS Members Scanning for prompt start for AGM voting										
18:00	19:00	ICS AGM										
19:30	23:30	Annual Dinner										

Schedule at a Glance

Friday, 9th October 2015								
Start	End	210BC	510BD	515ABC	510C	510A	514AB	512G
08:00	09:00	RT9 Understanding Pelvic Pain. Fernando Cervero, Jeffrey Mogil & Yukio Homma	PCP2 Debate: Female cosmetic genital surgery. Rebecca Rogers, Linda Cardozo & Michael Goodman	S32 Neuromodulation (Podium)				
09:00	10:30	RT10 Bladder Pain Syndrome / Interstitial Cystitis: Pain and Phenotypes. James Gillespie, Jos Houbiers, Oliver Van Till, James Q Clemens, Melissa Farmer, Lori Birder, Robert Moldwin	W29 (Committee Activity) Evidence Based Continence Care in Interdisciplinary and Nurse Led Services and Clinics - Nursing Committee (Open Session)	S34 Pharmacotherapy for Overactive Bladder (Podium Short Oral)	W30 The Neurogenic Bowel – Pathophysiology, Assessment and Management	S33 Frontiers in Education and Quality of Life (Podium Short Oral)	W31 (Committee Activity) School of Urodynamics Teaching Modules (Open Session)	
10:30	11:00	Coffee Break						Scientific Committee Prizes Meeting
11:00	12:30	S36 Sensation and the Central Nervous System (Podium)	W33 Supporting Self-Management of the Neurogenic Bladder	S37 Rehabilitation (Podium Short Oral)	W32 Management of Complications of Mesh Prolapse and Sling Surgery - Demonstration Through Surgical Video Cases	S35 Female Stress Urinary Incontinence (Podium Short Oral)	W31 (Committee Activity) School of Urodynamics Teaching Modules (Open Session)	
12:30	13:00		RT11 An evidence-based approach to managing complications of prolapse and incontinence surgery. Eckhard Petri, John DeLancey & Willy Davila	RT12 Basic Science Highlights ICS 2015. James Gillespie & Lysanne Campeau	RT13 Urology Highlights ICS 2015. Alan Wein			
13:00	13:30							
13:30	14:30	Closing Ceremony, Awards & Lunch
