POSITION APPLYING FOR	ICS Honorary Treasurer
NOMINATED BY	Adrian Wagg
SECONDED BY	Masayuki Takeda

300 word Mission statement to include your aims, goals and initiatives should you be elected

The ICS Honorary Treasurer is now very important to the society.

In such a critical financial situation I think that the treasurer will be able to help deeply in establishing the financial strategy of the ICS. Being already a Trustee, ICS Executive and on the ICS Strategic planning group, I am well aware of all the needs and challenges of the society and can design with the rest of the board a suitable strategic planning that could improve many aspects of the society.

As a Honorary Treasurer I might be able to solve some or many problems that would need a good advisor to arrange things in a way or another and to recruit sponsors and supporters to improve our financial position. The planning can include also creation of more ICS activities that can increase the income and enhance our growth.

Outline the skills, abilities and experience and what qualifications, if any, you could bring to this position, in pursuit of the Mission you have outlined? (200 words maximum)

*I have good managerial skills, as a General Manager of a university hospital taking care of all logistics including the financial details of the whole hospital.

*I have skills in running international societies as a President of Pan Arab Continence Society and African Fistula and Continence Society.

*Already served as a Trustee and Executive and very much aware with all the problems and challenges of the ICS and know well the points of strength and weakness of our society. Very well oriented with the financial situation of the ICS and acquired good knowledge about our accounts and possible expenditure and projections for the next years.

*Beside my role in the CPC and Educational committees I am well oriented with the needs and strategies of these groups and know how to help and establish their missions.

*I am currently studying Hospital Management Diploma in the American University and receiving a strong training in management and finance so I am also aware of how to run the financial aspects and top managerial planes.

*I have strong relations with the international industry and can help in recruiting better deals or contracts for the ICS with these companies to support our educational and scientific planes.

*I am already running different training programs in urodynamics, urogynecology and fistula surgeries, so I can judge how to organize courses and workshops to our members of the ICS with good quality/less cost.

I have uploaded a photo of myself my membership record **Yes/No**

I have updated my online membership biography with my goals and initiatives **Yes/No**

Do you already hold the position and are standing for re-election? **Yes/No**

I hereby confirm that I have completed my disclosure form/declaration of interest via my membership record on the ICS website, that I have read and understood the ICS Memorandum, Articles, and Bylaws, and the ICS Code of Conduct and agree to abide by these. If elected I understand what would be required of me to undertake an ICS position, and that I would accept the position. I also note that I am unable to canvass for my election to this post. In addition, I confirm that I am an upstanding member of the ICS and can confirm that I am not the subject of any disciplinary investigations, internal or external to my workplace."
