

ICS Elected Positions

By applying for an ICS elected position you must be nominated and seconded by two ICS members. Please advise them to send an e-mail to the ICS office confirming this. Please complete the information below and send the completed form to sophie@icsoffice.org by 1 April 2013 in order for your nomination to be considered.

If you are applying for a Committee Chair position we ask that you also update your membership record biography with your goals and initiatives for the committee should you be elected.

NAME	Howard B Goldman MD FACS
YOUR CURRENT POSITION	Staff Urologist, Cleveland Clinic
COUNTRY OF RESIDENCE	USA
QUALIFICATIONS	MD
ICS MEMBERSHIP NUMBER	1856

POSITION APPLYING FOR	Scientific Committee: Clinical Representative
NOMINATED BY	Margot Damaser PhD
SECONDED BY	Sandip Vasavada MD

What interests you in this ICS position (100 words maximum)	The scientific committee helps plan the Annual Scientific Meeting and ensure a high quality program. I would ensure that these goals continue to be met. From a clinical science standpoint I would aim to encourage wide participation from members throughout the globe. In particular I would urge younger members who are starting their careers to participate. From a programming standpoint I would look for clinical lectures and programs that brought important practical educational points to the fore so that meeting attendees could learn things they could immediately translate into clinical practice. I think I could help make this all happen.
---	---

Outline the skills, abilities and experience and what qualifications, if any, you could bring to this position and committee. (200 words maximum)	I have extensive experience with planning clinical courses and have participated as a course leader and lecturer at many meetings. I have also served as an abstract reviewer for a number of societies and meetings. Within my home institution I helped plan national courses that brought young urologists in for meetings on a yearly basis. Thus, I am familiar with the "nuts and bolts" of this sort of work. This committee is responsible for setting up a high quality scientific program at the annual meeting. With my involvement on multiple national and international committees I have established a broad range of contacts that I believe could be called upon to help facilitate this goal. I also have experience dealing with not only clinical research and researchers but also basic science and laboratory research and researchers. I believe this familiarity would help achieve a good balance of not only quality clinical presentations but also of high quality translational presentations that bridge the gap between the clinical and basic sciences in our field.
---	--

I have uploaded a photo of myself my membership record **Yes**

I have updated my membership record biography with my goals and initiatives should I be elected **No**

Do you already hold the position and are standing for re-election? **No**

I hereby confirm that I have completed my disclosure form/declaration of interest via my membership record on the ICS website, that I have read and understood the ICS Memorandum, Articles, and Bylaws, and the ICS Code of Conduct and agree to abide by these. If elected I understand what would be required of me to undertake an ICS position, and that I would accept the position. I also note that I am unable to canvass for my election to this post. In addition, I confirm that I am an

upstanding member of the ICS and can confirm that I am not the subject of any disciplinary investigations, internal or external to my workplace."
