Outline the skills, abilities and experience and what qualifications, if any, you could bring to this position and committee. (200 words maximum)	During my three years as ICS Trustee, I gained a true appreciation of the scope and promise of the ICS as an organization, and of the depth of scientific talent that our members posses. I have also been a clinical and translational researcher for many years, often collaborating with other pelvic floor specialists locally and nationally. I have been fortunate to receive many years of grant funding at local and national levels, and have published extensively.
