General Course Issues																		
Given the topic was this course:	Was this course:	How well has this course met your expectations?	The content was as described in the programme/pr omotional material	The content provided me with information that will be helpful in my work	The format was effective in eliciting knowledge and ideas	The presentations challenged my thinking	The speakers identified important issues	There were ample opportunities to ask questions	The speakers thoroughly answered participants' questions	Would you recommend the course to a colleague?	If no, please explain your reasons	Did you receive sponsors hip to attend this course?	If yes, who from?	Should we conduct a similar course in the future?	What was the strongest aspect of this course?	What was the weakest aspect of this course?	What, if anything, should have been included that was not?	Do you have any suggestions for improving the next course?
