

Application Request to Hold an Add-On ICS Educational Course

Name of ICS Member requesting application:	Alexandre Fornari and Carlos D`Ancona
Country in which course is to be held:	Brazil
Proposed City	Gramado – RS
Proposed Dates	05 july 2014 (The congress will be from 03 to 05 july 2014) (http://sburs.com.br/?p=819)
Proposed Venue	Convention Center of Serrano Hotel of Gramado. This Convention center can receive more than 1.200 delegates, if necessary, but can be modulated in separate rooms. (http://www.gjphotels.com/hotel/8-serrano-resort-convencoes-SPA/eventos)
Accommodation details for speaker(s)	They will be hosted in the meeting`s hotel and they will be offered breakfast, lunch and dinner at the hotel. And they will receive invitations to the social events of the meeting sponsored by the congress.
Number of expected delegates: Include degree of training and discipline	400 delegates in the entire congress. We expect 150 delegates in the Educational course, 75 physiotherapists and 75 Urologists and gynaecologists.
What event does the ICS course add on to? i.e. a national annual meeting	XII South Brazilian Urological Congress and VI Italian-Brazilian Urological Congress. (XII CONGRESSO SUL BRASILEIRO DE UROLOGIA E VI CONGRESSO ÍTALO BRASILEIRO DE UROLOGIA)
Would you like the course to be accredited by the EU-ACME? There is a charge for accreditation so we must ensure that accreditation would be applicable to your delegates.	NOT Necessary
To what local associations are you applying for CPD recognition?	Brazilian Urological Society (SBU), Brazilian Medical Association (AMB)
Will there be an exhibition?	Yes
Other known Urological/Gynaecological meetings in the geographical area occurring 2 months before and 2 months after proposed date	None
Local information: e.g. weather, national holidays in four week period leading up to and including the course date	Gramado is a small touristic city (~30.000 habitants) 118 km (74 miles) away from Porto Alegre, the capital of the state of Rio Grande do Sul, in the south of Brazil, close to Uruguai and Argentina. Most of the population of Gramado is of German or Italian descent and its architecture and gastronomy reflects that. Gramado hosts

	<p>the major South American film festival and is also known for its natural landscapes and the beautiful hydrangeas blossoming in late spring.</p> <p>The average temperature for the conference period can vary greatly (3-19°C / 37-66°F), so participants are recommended to bring clothes for cold weather. Gramado is in the same time zone as Brasília, Porto Alegre, Rio de Janeiro, and São Paulo: 3 hours behind GMT.</p> <p>To get to Gramado from abroad, you should first take a flight to Porto Alegre (Salgado Filho Int'l Airport) and then take a terrestrial transportation.</p> <p>No national holidays close to the meeting's dates. In this time, we will have the soccer world cup in Brazil, but in the south of Brazil we will not have games in July.</p>
--	---

Need for course: Why is important that the ICS runs a course for this audience? What do you feel the benefit to you will be? What can ICS provide that local providers will be unable to deliver?

The South Brazilian Urological Congress is a traditional and important urological meeting. The meeting this year will be together with the Italian-Brazilian urological congress. This will be an important scientific event, and we would be proud if ICS could be present and supporting us. We believe that we will have the same success in this event than we had in 2011, when we had an educational course in Porto Alegre, with the South Brazilian Urological society. Were present around 200 delegates only in the ICS EC and there was a great scientific level of presentations. At that time, we had a participation of nurses, physiotherapists, urologists and gynaecologist promoting the multidisciplinary of treatment, one of the main issue Brazil needs to develop.

This year is especially important because we will have the main ICS congress in Brazil (first time in Latin America), and this Educational Course is supposed to spread the news about the congress and make the participants excited to attend ICS congress in Rio. We expect that a lot of delegates of our meeting will make contact and will participate of the ICS meeting in Rio de Janeiro.

As we know, this will be the only Educational course in Brazil in 2014, and this is important to keep the ICS in mind, because we were having at least two Educational

Courses in Brazil each year in the last three years. And it's really important to keep this tradition as all the meetings were a success. The own ICS recognized the importance of having educational courses in Brazil, during this year, because ICS is incentivising this kind of meeting in its website.

We believe that with the participation of ICS in our meeting, we could improve first of all the level of the meeting, the number of ICS associates and increase the participation of our colleagues in the ICS as members. By the other hand, the ICS participation in our meeting will increase the number of delegates in our audience, and we will increase the number of international speakers. We are confident that this will improve the scientific level and participation of a large number of colleagues.

The ICS international speakers are suppose to disseminate the ICS mission and standards, especially about standardization, terminology and multidisciplinary work. Those are important points to be discussed in Brazil. We are expecting a large number of physiotherapist and we are supposed to strength the collaboration between the specialties. This is one of the reasons to include a geriatrician and a physiotherapist together with an urologist as ICS international speakers in our meeting. We hope that ICS accept this application, as an add-on Educational Course and we are sure that we will have a great meeting together with such respectable organization that we are proud to be part.

Declaration:

I confirm that the information above is true to the best of my knowledge and that I have read and understood the Education Course Guidelines.

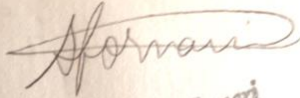

The proposed programme for the course with detailed speakers/topics and timings is attached to the application.

I acknowledge:

- ICS speakers will speak in English. If simultaneous translation or another form of translation required is required then the ICS will not cover the costs for this.
- The ICS may wish to attend the meeting and have an exhibition booth and would expect a free booth to promote the benefits of ICS membership.
- The host organisation will organise and cover hotel costs for the ICS speaker(s)
- The host organisation will organise and cover return transfer costs from the airport to accommodation. If the accommodation is in a different location to the course venue then local ground transport will also be provided
- The ICS will cover the costs of flight and related personal expenses for the speaker(s)

- A post meeting electronic survey will be completed by the delegates and the ICS will be provided with the contact details of the delegates or the survey link will be sent on the ICS's behalf.

Signed:

Dr. Alexandre Fornari
Urologista - CRM 22017

Dated: 26 Jan 2014

Proposal for the Scientific Program of ICS Educational Course Gramado 2014

05 July 2014

Proposal International ICS speakers

Adrian Wagg – Canada – Geriatrician

Bary Berghmans – Holland - Physiotherapist

Mario João Gomes – Portugal – Urologist

The invitations of the speakers will be made by the ICS office, according to the guideline with the application form documents. The ICS is responsible for the air tickets, and we will provide the local transportation and hostage.

This is the proposal scientific program. We are expecting the confirmation of acceptance of the ICS EC to invite the Brazilian speakers.

08:00 – 08:30 Registration

08:30 – 08:35 Opening Ceremony –

08:35 – 08:50 ICS Mission, standardization and Terminology – Adrian Wagg

08:50 – 09:40 Genital Prolapse treatment – When and How??

No mesh surgery – Local Gynecologis 10'

Mesh Surgery - Mario João Gomes Urologist 10`

Physiotherapy – Bary Berghmans 10'

Discussion with Clinical cases 20'

09:40 – 10:00 Conference – Urinary incontinence in the geriatric patient – Adrian Wagg 20'

10:00 – 10:20 coffee break

10:20 – 11:00 Biomechanics of the pelvic floor and its implications in the urinary incontinence treatment

Surgery – Mario João Gomes 10'

Physiotherapy – Bary Berghmans 10'

Discussion with local urologist and local physiotherapist 20'

11:00 – 12:00 – Cases discussion – Urinary incontinence - All Faculty

12:00 – 13:30 Lunch

13:30 – 14:00 – Actual management of recurrent urinary infections – Local gynecologist

14:00 – 15:00 Overactive bladder

Pharmacological treatment Local Urologist 10'

Physiotherapeutic treatment Bary Berghmans 10'

Refractory overactive bladder Mario João Gomes 10'

Discussion with Clinical cases 30'

15:00 – 15:20 – Conference — Aging bladder and its applications in clinical practice

Adrian Wagg 20'

15:20 – 16:20 Post Prostatectomy incontinence

Diagnostic evaluation Local Urologist 10'

Physiotherapy Bary Berghmans 10'

Male Slings Mario João Gomes 10'

Artificial urinary sphincter Local Urologist 10'

Discussion with clinical cases 20'

16:20 – 16:40 – Coffee Break

16:40 – 17:20 Management of female sexual dysfunction associated with Urinary incontinence or its surgical treatment

Physiotherapy - Bary Berghmans 10'

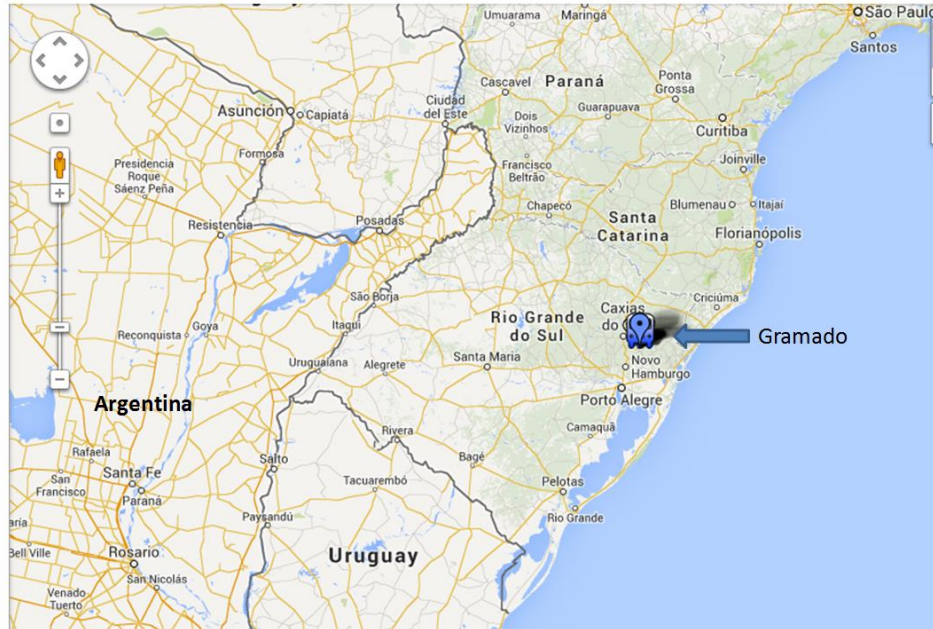

Surgery - Local Gynecologist 10'

Discussion with local physiotherapist and local urologist 20'

17:20 – 18 hs Discussion of complex clinical cases, including fistulas and mesh complications.

ALL FACULTY

Gramado

Gramado is a small city (~30.000 habitants) 118 km (74 miles) away from Porto Alegre, the capital of the state of Rio Grande do Sul, in the south of Brazil, close to Uruguai and Argentina. Most of the population of Gramado is of German or Italian descent and its architecture and gastronomy reflects that. Gramado hosts the major South American film festival and is also known for its natural landscapes and the beautiful hydrangeas blossoming in late spring.

The average temperature for the conference period can vary greatly (3-19°C / 37-66°F), so participants are recommended to bring clothes for cold weather. Gramado is in the same time zone as Brasília, Porto Alegre, Rio de Janeiro, and São Paulo: 3 hours behind GMT.

To get to Gramado from abroad, you should first take a flight to Porto Alegre (Salgado Filho Int'l Airport) and then take a terrestrial transportation.

Salgado Filho Int'l Airport is the largest, busiest airport located in Porto Alegre, Rio Grande do Sul, Southern Brazil. Salgado Filho Airport is well served by domestic flights, specially from Brazil's two most important gateway ports: Rio de Janeiro (Antônio Carlos Jobim Int'l Airport) and São Paulo/Guarulhos (Gov. André Franco Montoro Int'l Airport). Besides, there are also international flights with direct connections to Salgado Filho departing from cities of the Southern Cone (e.g., Buenos Aires and Montevideo).

Departing from Porto Alegre, the possible transportation means towards Gramado are transfer service, taxi or bus. Additional information on these possibilities are presented below as well as guiding for those in need of visa to participate in the event.

Transportation from Salgado Filho Int'l Airport to Gramado

By Transfer Service

Transfer booking and purchasing (as well as airline, hotel and tours) can be done through [Terra Turismo](#), the symposium's official travel agency. To do that, please contact Terra Turismo's assistants through contato@agenciaterraturismo.com.br (for the transfer booking form in English, please click [here](#)). Or yet, if it fits you better, you can call Terra Turismo's call center: +55 (54) 3295 9100

From Salgado Filho Int'l Airport to Gramado (and return)

From Porto Alegre to Gramado, the maximum waiting time in the airport will be 45 minutes. The fare per person is R\$ 110,00 (~US\$ 63.00).

From Salgado Filho Int'l Airport to Gramado (one way)

From Porto Alegre to Gramado, the maximum waiting time in the airport will be 45 minutes. The fare per person is R\$ 55,00 (~US\$ 32.00).

From Gramado to Salgado Filho Int'l Airport (one way)

The fare per person is R\$ 55,00 (~US\$ 32.00).

By Taxi

From Salgado Filho Int'l Airport to Gramado

The fare can go from R\$ 300,00 (~US\$ 170,00) to R\$ 400,00 (~US\$ 226,00).

From Gramado to Salgado Filho Int'l Airport

The fare can go from R\$ 200,00 (~US\$ 113,00) to R\$ 250,00 (~US\$ 141,00).

By Bus

In order to take a bus to Gramado you have two main options: depart straight from the airport or depart from Porto Alegre's main bus station. The buses that stop by the airport leave from the bus station as well, but just on a given set of departure times, as you will see on the time tables below.

The fare to go from the airport to Gramado by bus is of R\$ 26,90 (~US\$ 15,25 including insurance) and the ticket should be bought at the Veppo company stand number 18B, which is near to the arrival zone at the first floor

More information about gramado and its touristic atractions is available on this website:

http://www.imagensviagens.com/us_br_gramado.htm

Porto Alegre is waiting for you!!

Porto Alegre/RS

City of 1.5 million habitants, located in the center of the main routes of Cone do Sul. Entrance of tourists in the state and only 120km from pleasant Serra Gaúcha. Porto Alegre is a busy hub of services and of infrastructure quality recognized, base of large domestic and international companies and one of the major events destinations in Brazil. The cuisine is just one of the ingredients of the receptive structure of the capital, where tourists can find various services, intense cultural activity throughout the year and a vibrant nightlife.

Gramado/RS

Nationally known for its natural beauties, this is one of the main cities of the Serra Gaúcha. It lies in an area of rugged terrain, which offers a beautiful scenery and a mild climate. The city has an impressive hotel infrastructure, a rich, diverse and sophisticated gastronomy and countless tours, from rural tourism to events.

Canela/RS

Located 7 Km away from Gramado, Canela has the tourism as one of its main economic activities. The Parque do Caracol (Snail Park), the Parque da Ferradura (Horseshoe Park), the Parque das Sequóias (Sequoias Park) and the Alpen Park are the city's biggest attractions, just like the Igreja Nossa Senhora de Lourdes (Our Lady of Lourdes Church), the city's postal card.
