

APPENDIX 1

Application Request to Hold an Add-On ICS Educational Course

Name of ICS Member requesting application:	Sakineh Hajebrahimi
Country in which course is to be held:	Iran
Proposed City	Kish Island
Proposed Dates	4-5 December 2014
Proposed Venue	Kish conventional Centre
Accommodation details for speaker(s)	5 star Hotel
Number of expected delegates: Include degree of training and discipline	At least 200
What event does the ICS course add on to? i.e. a national annual meeting	Asian Urology Society
Would you like the course to be accredited by the EU-ACME? There is a charge for accreditation so we must ensure that accreditation would be applicable to your delegates.	yes
To what local associations are you applying for CPD recognition?	Iranian Urology Association and Iranian continent
Will there be an exhibition?	yes
Other known Urological/Gynaecological meetings in the geographical area occurring 2 months before and 2 months after proposed date	No idea
Local information: e.g. weather, national holidays in four week period leading up to and including the course date	Kish Island has a hot desert climate. The area within 40 km of this station is covered by <i>oceans and seas</i> (85%) and <i>shrublands</i> (15%). The month of December is characterized by <i>falling</i> daily high temperatures, with daily highs decreasing from 26°C to 23°C over the course of the month. The nature is absolutely special and lots a city tours or sea entertainments are available. There are no national holidays conflicting around those dates.

Need for course: Why is important that the ICS runs a course for this audience? What do you feel the benefit to you will be? What can ICS provide that local providers will be unable to deliver?

Iranian Continence Society has merged with ICS to seek collaboration. This is a very large regional congress covering Asia continent. The ICS has weak presence in Asia and are limited membership. It is very crucial for ICS to be very visible in this part of the world as very few members attend ICS annual meetings. This course will benefit all the Asian audience and will strengthen the relationship with Asian community. ICS will provide world renowned speakers in this course and with ICS name affiliation, it will make it more attractive and will definitely draw more crowd to this course and in general to the congress. It will also increase the ICS awareness and help to increase the ICS membership.

It is an add-on course with a request of 3 speakers flights, suggested speakers are; Ajay Singla, Chris Chapel and Marcus Drake.

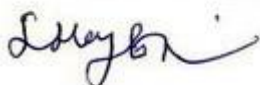

Declaration:

I confirm that the information above is true to the best of my knowledge and that I have read and understood the Education Course Guidelines.

The proposed programme for the course with detailed speakers/topics and timings is attached to the application.

I acknowledge:

- ICS speakers will speak in English. If simultaneous translation or another form of translation required is required then the ICS will not cover the costs for this.
- The ICS may wish to attend the meeting and have an exhibition booth and would expect a free booth to promote the benefits of ICS membership.
- The host organisation will organise and cover hotel costs for the ICS speaker(s)
- The host organisation will organise and cover return transfer costs from the airport to accommodation. If the accommodation is in a different location to the course venue then local ground transport will also be provided
- The ICS will cover the costs of flight and related personal expenses for the speaker(s)
- A post meeting electronic survey will be completed by the delegates and the ICS will be provided with the contact details of the delegates or the survey link will be sent on the ICS's behalf.

Signed:

Dated: 4/12/13
