

Are you a Trainee?

Do you have a non-discussion poster accepted for ICS 2014?

Would you like to present your topic?

Then apply for the

ICS Trainee Session

Rio de Janeiro

Following on from the success of last year's session the ICS are pleased to announce that we will be holding our second trainee session in Rio de Janeiro. Plus for the first time ever we will also be hosting a trainee evening out!

Trainee Session

Young ICS members will present lectures relating to research which will be followed by presentations from those with non-discussion posters who then receive feedback on their presentation skills, slides and scientific content.

Trainee Night Out

The session will be followed by the ICS Welcome Reception in the conference centre. Following the welcome reception all trainee session attendees and speakers will be transported by bus to the Rio Scenarium nightclub-voted one of the top 10 nightclubs in the world by the Guardian Newspaper! On arrival you will be provided with your two free drinks tickets and shown to the ICS reserved space. From there you are free to mingle with your peers

or explore the fantastic nightclub set over 3 floors each of which holds an astonishing mix of vintage items: an old pharmacy dating back to 30s, ancient Chinese ceramics, seasoned barber chairs and plenty of freak objects! Return transport will be provided to the Copacabana / Ipanema neighbourhoods.

The session and night out is free of charge but pre-registration is required.

We welcome ICS members and non-members from all disciplines who have graduated or completed their education in their specialty field within the last 5 years.

For more information see the ICS 2014 website: www.ics.org/2014
