Dear Friends and Colleagues;

On behalf of the scientific and organizing committee of Pan Arab Continence Society, it is our pleasure to invite you for the 11th PACS conference which will be held in Istanbul from February 27th, to March 1st, 2015 in collaboration with ICS.

This year is very special because of the strong collaboration with the Turkish Continence and Urogynecology Societies with a great mixture of urological and gynaecological experiences.

We encourage receiving abstracts related to the following topics: Voiding Dysfunction, Female Incontinence, Male Incontinence, BPH, Prostate Cancer, LUTS, Erectile Dysfunction, Voiding Dysfunction in Children. The PACS also decided to award the best winner abstract a scholarship fund.

Very special packages were designed for you to make it a real good chance to attend such a valuable meeting. So we encourage our young colleagues to take the early catch of the limited spaces.

We hope that you will enjoy your stay both scientifically and socially.
