About the Annual Meeting

The ICS Annual Meeting remains today, one of the most valued dates in the Urological, gynaecological, physiotherapy and nursing calendar unique in its multi-disciplinary focus on Continence.

The Annual Meeting consists of a 4-day combined educational and scientific programme. Abstracts presented at the meeting are published in the Journal of Neurology & Urodynamics (the official Journal of the ICS).

Keynote speakers, State of the Art Lectures, Point-Counterpoint Discussions and Live Surgery events combine to make the ICS Annual Meeting the premier scientific event for Continence professionals, surgeons, research scientists, bio-engineers and allied professions.

The ICS Annual Meeting is an ideal exhibiting opportunity for companies with an interest in the field of incontinence. We have exhibitors and sponsors returning to the meeting year on year to support the ICS in their mission to advance basic and clinical science through education, research and advocacy. The meeting typically receives accreditation for Continuing Medical Education (CME) credits.

Why should you support the ICS?

- ▶ Raise your company's visibility.
- ▶ Exhibit and distribute your marketing and promotional materials.

Annual Meeting Objectives

- ▶ To bring together the world's foremost scientific experts to catalyse and advance scientific knowledge on continence, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- ▶ To bring together community leaders, scientists, and policy leaders to promote and enhance programme collaborations to more effectively address regional, national and local responses to continence around the world and overcome barriers that limit access to prevention, care and services.
- ▶ To engage key, new and non-traditional stakeholders throughout the world in the development of and participation throughout the Meeting Programme.
