# Female Urology – Pelvic Floor Conference and ICS Joint Meeting

## A warm welcome to

### Female Urology – Pelvic Floor Conference and ICS Joint Meeting

Dear colleagues and friends,

On behalf of the organizing committee, we would like to extend our warm welcome to all the delegates and distinguished guest speakers from around the world and we hope everyone will enjoy their stay in Bangkok.

The scientific program includes lectures, symposiums, debates and hands-on workshop. There are many aspects of pelvic floor dysfunction, which health care providers can share and discuss.

Besides the important and interesting agenda of the conference, we would like to take this opportunity to invite all of you to experience the sights of Bangkok.

Take time off to discover our magnificent historical sites, diverse culture and the traditional hospitality of Thai people.

We look forward to welcoming you all to the delightful city and wish you a productive and enjoyable stay in Bangkok.

Sincerely Yours,

*Wachira Kochakarn*

Wachira Kochakarn
