

Holly E. Richter, PhD, MD,

Dr. Richter is the J Marion Sims Professor of OB/GYN and Professor of Obstetrics and Gynecology Urology & Geriatrics at University of Alabama at Birmingham. She is Director of the Urogynecology Care and Genitorectal Disorders Clinics and past President of the Society of Gynecologic Surgeons.

She is the PI of the NICHD-sponsored Pelvic Floor Disorders Network and of the previous NIDDK-sponsored Urinary Incontinence Treatment Network. She oversees other NIH and industry-sponsored research trials. She is also the recipient of a midcareer (NIDDK, K24) in patient oriented pelvic floor research and Research Director of the Women's Reproductive Health Research award (NICHD, K-12), both through which she mentors young investigators .

Dr Richter has received national teaching awards and directs the fellows' research through ABOG accredited fellowship in Female Pelvic Medicine and Reconstructive Surgery. She has an interest in treating vesicovaginal fistulas and has visited Africa the past 10 years. In 2010, the National Association for Continence acknowledged the UAB Continence and Urogynecology Care Clinics as the first Center of Excellence in the US which was recently renewed in 2014-2019.
