Welcome Message

On behalf of the organizing committee, it is our great pleasure to invite you to the “13th Myanmar Obstetrical and Gynaecological Congress” which will be held on 23rd and 24th February 2019 in Yangon, Myanmar.

The main theme of the congress is “Ensuring Safe Practice in Obstetrics & Gynaecology”. Academic activities will include free paper presentations, poster presentations, main and mini symposiums and clinical sessions. The pre-congress workshops will include “Urogynaecology” on 21st and 22nd February 2019 in University of Medicine 1, “Laparoscopy” on 22nd and 25th February 2019 in University of Medicine 2 and “Colposcopy and Treatment of preinvasive lesions” on 22nd February 2019 in DSMA.

The congress has been designed to bring all our colleagues, both locally and abroad, to exchange their professional experiences, to update the participants with advances. You will have a chance to meet your friends and colleagues. You can also relax and enjoy by attending president’s dinner and sightseeing tour.

Yangon is the largest city in Myanmar and there are many interesting venues such as Shwedagon Pagoda, National Museum, Bogyoke Aung San Market and many other attractive places.
