WEDNESDAY 13th NOVEMBER : BEFORE THE CONGRESS

DISSECTION AT THE ANATOMIC LAB

11:00-14:00 **WORKSHOP 1** Perineal muscles : implement to the physical-therapy and Botulinum Toxin injections.

I. Montes, B. Parratte, E. Baurrant P

16:00-19:00 **WORKSHOP 2** pudendal nerve : implement to the nerve blocks injections and to the surgical neurolysis.

S. Ploteau, F. Clascá, R. Usandizagza

THURSDAY 14th NOVEMBER

PUDENDAL AND PELVI-PERINEAL NEURALGIAS

08:00-09:00 Registration and Opening ceremony by the president, *R. Usandizagza*

09:00-09:30 **LECTURE 1:**

From the first description of the PNE to the Nantes criteria. *T. Riant*

SESSION 1: DIFFERENTIAL DIAGNOSIS / SIFUD PP SESSION

President: *G. Amarenco (France)* - Chair: *R. Usandizagza (Spain)*

09:40-10:00 Childbearing pudendal neuropathies. *X. Fritel*

10:00-10:20 Urinary symptoms of the pudendal neuralgia vs Painfull bladder syndrome. *E. Vicente Palacio*

10:20-10:40 Persistent Genital Arousal Disorder, Sexual dysfunctions and pudendal neuropathy. *F. Itza*

10:40-11:00 COFFEE BREAK

11:10-11:30 The pudendal neuropathy of the elderly woman. *G. Amarenco*

11:30-11:50 Particularities of the anal and rectal symptoms in pudendal neuralgia. *M. Beer Gabel*

11:50-12:10 The rares pelvi-perineal neuralgias, ilio-inguinal, ilio-hypogastric et clunéal. *S. Ploteau*

12:10-13:00 The pudendal block nerve injections: diagnostic or treatment?

Pros and Cons: *J. de Andres, JM. Adot, T. Riant, A. Pereira*

13:00-14:30 LUNCH

Medtronic SESSION 2: TREATMENTS / SESSION MEDTRONIC

President: *G. Amarenco (France)* - Chair: *D. Zarza (Spain)*

14:30-14:50 Physical-therapy and manual medicine in the treatment of pudendal neuralgia. *AF. Planté*

14:50-15:10 Radio-frequency in the treatment of pudendal neuralgia. *B. Martinez*

15:10-15:20 Botulinum Toxin injections in the treatment of pudendal neuralgias. *O. Bredeau*

15:20-15:40 Peri-neural catheter connected to a supra pubic portacath or to a programable pomp for local anaesthetic nerve diffusion. *E. Baurrant*

15:40-16:30 COFFEE BREAK

16:10-18:00 **ROUND TABLE:** The pudendal nerve surgical neurolysis. Trans-gluteal, laparoscopic, trans-ischio-rectal approaches. The pudendal neuromodulation. 4 communications of 15 minutes

L. López-Fando, S. Ploteau, E. Baurrant, G. Fernandes

18:00-18:30 **HOW TO MANAGE A PUDENDAL NEURALGIA ? TOWARDS A CONVERGENCESPP CONSENSUS?**

A. Levesque

18:30-19:30 **POSTER SESSION**

President: *L. Bruyninx (Belgium)* - Chair: *S. Ploteau (France)*

FRIDAY 15th NOVEMBER

09:00-09:30 LECTURE 2:

Endometriosis and central sensitization. *R. Usandizaga*

SESSION 3: PAIN AND ENDOMETRIOSIS

President: *F. Carmona (Spain)* - Chair: *R. Usandizaga (Spain)*

09:30-09:50 Superficial Endometriosis vs Deep Endometriosis and CPP. *A. Lopez*

09:50-10:10 Recurrence of deep endometriosis and CPP. *L. Quintas*

10:10-10:30 Pelvi-Perineal Myo-fascial Syndrome after treatment of endometriosis. *M. Muñoz*

10:30-10:50 « Endometriosis like » syndrome : from the concept of uterine pain syndrome to the use of Botulinic Toxin hysteroscopic injections. *E. Baurtrant*

11:00-11:30 COFFEE BREAK

SESSION 4: PHYSICAL-THERAPY AND MANUAL MEDICINE IN CPP

President: *B. Parratte (France)* - Chair: *I. Montes (Spain)*

11:30-11:50 Adjustment of the post-partum physical-therapy in CPP condition. *I. Ramirez*

11:50-12:10 Physical-Therapy and manual medicine in cases of changes in the posture associated with CPP. *A. Borobia*

12:10-12:30 Indications of Botulinum Toxin injections in perineal hypertonia. *I. Montes*

12:30-12:50 Physical therapy in sexual abuses conditions. *AF. Plante*

12:50-13:10 Physical-Therapy in Painfull Bladder Syndrome. *S. Hergueta*

13:30-14:30 LUNCH

SESSION 5: PROVOKED VESTIBULODYNIAS (PVD)

President: *F. Nohales (Spain)* - Chair: *E. Baurtrant (France)*

14:30-14:50 Pathophysiology reminder and the Convergences PP consensus for the first line treatment. *O. Porta*

14:50-15:10 First line treatment : the physical-therapy. *G. Valancogne*

15:10-15:30 First line treatment: cognitive-behavioral therapeutics. *V. Quistrebert*

15:30-15:50 The non-surgical second-line therapies. *J. de Andres*

16:00-17:00 COFFEE BREAK

17:00-17:10 Results of the new Laser energies and photobiomodulation therapies in PVD. *P. Mares*

17:10-17:30 Results of Botulinum Toxin injections in PVD. *B. Parratte*

17:30-17:50 Results of the TENS system in PVD. *D. Recalcati*

17:50-18:10 Lipofilling and surgery in PVD. *E. Baurtrant*

18:10-18:30 **ROUND TABLE:** Indication of the second-line therapies. Towards a Convergences PP consensus ?

J. de Andres, B. Parratte, O. Porta, D. Recalcati, P. Mares, G. Valancogne, V. Quistrebert, E. Baurtrant

18:30-19:00 ABSTRACTS SESSION

President: *M. Beer Gabel (Israel)* - Chair: *P. Mares (France)*

SATURDAY 16th NOVEMBER

SESSION 6: PELVI-PERNEAL PAIN AFTER SURGERIES FOR PROLAPSE AND INCONTINENCE / SESSION ICS

09:00-09:40 **LECTURE 3:** « Implant files », Meshes complications, the patients and the journalists. Which type of mesh can reduce the risk of post-op CPP? *M. Cosson*
President: *M. Cervigni (Italy)* - Chair: *E. Bautrant (France)*

09:40-10:00 Compared pain complications of incontinence and prolapse surgery with and without meshes.
J. Miguel, G. de Vicente

10:00-10:20 Pain complications of laparoscopic sacral-colpopexy. *M. Cervigni*

10:20-10:40 Post-op Pudendal neuralgias. *E. Del Moral*

10:40-11:00 Multidisciplinary management of patient with CPP after mesh surgery. *C. Levêque*

11:00-11:30 COFFEE BREAK

SESSION 7: NEUROMODULATION IN CPP / SESSION BOSTON SCIENTIFIC

President: *J. de Andres (Spain)* - Chair: *M. Levêque (France)*

11:30-12:50 **ROUND TABLE:** Experiences of Experts : how to indicate neuromodulation in CPP?
4 communications of 15 minutes
J. de Andrés, M. Cánser, M. Levêque

13:00-14:00 CLOSING CEREMONY, ABSTRACT AWARDS.
Convergences PP : 2020 Congress and 2021 WCAPP 5. E. Bautrant
