

New Joint IUGA-ICS Standardisation Working Group Conservative Management for Female Pelvic Floor Dysfunction

Chair/join the committee - applications by 23rd February 2012

IUGA - ICS Joint Working Group to develop a Standardization Report on the Conservative Management of Female Pelvic Floor Dysfunction

The IUGA Terminology and Standardization Committee and the ICS Standardisation Steering Committee jointly invite applications from IUGA and ICS members who wish to be **Chair / Member** of a Working Group to develop a Standardization Report on the Conservative Management of Female Pelvic Floor Dysfunction. With the support by the two Organizations, this Group will aim to clarify all Terminology related to this area. To view a document outlining the proposed scope of the Report, click [here](#). Attention is also drawn to the provisional guidelines for producing Standardization Reports on the ICS website (click [here](#)).

If you wish to be considered for **Chair of the Working Group**, applications should take the form of a CV (max 4 pages), with a covering letter (max 600 words) describing: (i) how you would be a suitable Chair for the Working Group; (ii) additional areas you consider might be covered; (iii) how the Working Group might need to interact with any other relevant organisations and/or stakeholders.

If you wish to be considered as a **Member of the Working Group**, please send a CV (max 4 pages) and a covering letter (max 500 words) describing your potential contributions to the Group.

All applications should be submitted electronically to the Chairmen (copies to both) of the:

- IUGA Standardisation and Terminology Committee (Bernie Haylen; haylen@optusnet.com.au)
- ICS Standardisation Steering Committee (Marcus Drake; marcus.drake@bui.ac.uk)

Deadline for receipt of applications is: **23rd February, 2012.**

Bernie Haylen
IUGA Standardisation Committee Chair

Marcus Drake
ICS Standardisation Steering Committee Chair
