	THIS WAS THE WEATHER FOR THIS YEAR			

Need for course: Why is important that the ICS runs a course for this audience? What do you feel the benefit to you will be? What can ICS provide that local providers will be unable to deliver?

There are an spectation for the participation to the ICS in mexico last year many doctors cant came and if you have an point to exhibition you can invite more people to be a member to ICS.

The course brings together the most and the majority important doctors in the area.

We want to promote RIO in our web side.

I ask to Ervin Kocjancic, he is agree to came with us if u are agree too

Declaration:

I confirm that the information above is true to the best of my knowledge and that I have read and understood the Education Course Guidelines.

The proposed programme for the course with detailed speakers/topics and timings is attached to the application.

I acknowledge:

- ICS speakers will speak in English. If simultaneous translation or another form of translation required is required then the ICS will not cover the costs for this.
- The ICS may wish to attend the meeting and have an exhibition booth and would expect a free booth to promote the benefits of ICS membership.
- The host organisation will organise and cover hotel costs for the ICS speaker(s)
- The host organisation will organise and cover return transfer costs from the airport to accommodation. If the accommodation is in a different location to the course venue then local ground transport will also be provided
- The ICS will cover the costs of flight and related personal expenses for the speaker(s)

Signed
